

Fecc

EUROPEAN ASSOCIATION OF
CHEMICAL DISTRIBUTORS

Fecc confirms that:

HSH Chemie - Romania

complies with the requirements and rules of the Fecc
European Responsible Care Programme.

HSH Chemie Romania is authorised to use the Responsible
Care logo in Romania.

HSH Chemie Romania has a Responsible Care management system in
place and demonstrates a high level of commitment to the Guiding
Principles of the Responsible Care Programme.

HSH Chemie Romania continues to improve its environmental, health
and safety performance, demonstrates commitment to sustainable
development and facilitates the extension of Responsible Care in its
operations across the value chain.
